

TO THE

Directors and Subscribers to the Aberdeen Dispensary

MY LORD PROVOST AND GENTLEMEN,

It may seem premature to apply for an appointment before it has become vacant, but, since others have already addressed you on the subject, I feel it to be necessary, however reluctant I am to do so, at present to mention to you that in the event of a vacancy taking place in the Medical appointments at the Dispensary, I intend to come forward as a candidate, and shall then have the honour of submitting Testimonials to your notice.

I am,

MY LORD PROVOST AND GENTLEMEN,

Your obedient Servant,

JAMES RODGER.

144 KING STREET,

ABERDEEN, 13th November, 1871.
